Product Marketing | 0-to-1 | AI & Technical SaaS Launches | Positioning & Sales Enablement | GTM Engineering | Community

EXPERIENCE

Founding Member, Go-To-Market; OLake by Datazip [Data Infra SaaS; Elevation Capital] *Bengaluru | July'24 – Aug'26*

- As **the first business hire**, built the GTM framework: defining funnel stages, KPIs and benchmarks from first touch through adoption to enterprise POC, analysing MQLs > SQLs > deals, reached data engineers through outreach campaigns while scaling to **6K+ MQLs, 55 POCs, 200+ monthly job syncs across CLI & UI** in under a year.
- Built competitive battlecards, technical blogs, pitch narratives, product demos for **the enterprise product, c**ontributing to a **4:1 LTV:CAC** and a **75% POC-to-paid win rate**, scaling from **$50K ARR to $350K+ in 8 months**.
- A/B-tested messaging angles on LinkedIn cold outreach campaigns to define positioning, **averaging a 30% CTR** on posts; used engagement data to pick **webinar & event** topics to **bring 50% of the total POCs** from this channel**.**
- Ran **23 webinars, 3 large events, 10+ meetups, 2 hackathons**, **executive roundtables**; brought in **7,000+** unique registrations. Turned design partners into **6 published case studies** used in launches and sales conversations.
- Owned **2** technical product launches end to end: ICP, positioning, marketing, coordination across Product & Engineering. Drove **500+ launch-event registrations, 100K+ social impressions and 150+ sign-ups** for the last one.
- Grew an open source developer community from **0 to 1,500+ GitHub stars, 260+ forks**, **700+ Slack members**, **45 contributors** and **18,000+ LinkedIn followers, 5,000+ Luma and Meetup subscribers.**

Founder's Office, Growth Marketing; The Money Club [Fintech; Blume Ventures] *Remote | Sep'23 – July'24*

- **Led 0-to-1 B2B launch** of Vrddi: conducted **75+ user interviews** across metro and Tier 2 cities, shaped positioning, naming and packaging; built the website, product demos and sales/investor collateral; scaled to **200+ users, 5 enterprise clients, 2 partnership arms in under 2 months**.
- **Owned B2C and B2B growth end-to-end**: designed referral model, incentive restructuring (A/B tested), social-first campaigns driving capital pooled from **$30M to $48M+**; managed creative, media, and PR agencies; contributed to **CNBC Top 200 Global Fintechs recognition & Ministry of Commerce Accolades**: 7.8/10 average user rating.

Growth Manager, Mudrex [Crypto Investment Platform; Y Combinator, Nexus Venture] *Bengaluru | Apr'22 – Sep'23*

- **Improved monthly retention** through push notifications and in-app widgets, using weekly and monthly cohorts, DAU/MAU and drop-off analysis to target re-engagement at key leak points.
- Grew **app installs from 300K to 700K+** and contributed to **1M+ total user acquisitions** through lifecycle campaigns and brand partnerships with Economic Times, Zepto and CRED.
- Built and ran WAGMI, a **5,000+ member** student Web3 community on Discord, through campus chapters across IITs and IIMs and a program of **50+ ambassadors**, growing membership **50% month on month** for six months.
