Money Club®

Deep-tech **on-demand liquidity** platform

for the lower middle class

Meet **Umesh**

He represents
400M Indians › Lower Middle Class India

- He wants on-demand liquidity in times of peril
- His need for liquidity keeps changing more frequently according to his life situations
- Therefore, banks have not been able to lend to him

Shortfall of **Banks & Lending Institutions**

- Lack of data on this segment
- Lack of credit history
- Frequent varying life situations make it difficult to create a lending product adapted to them

This segment needs

REAL TIME **Dynamic Underwriting**

Introducing **Money Club**

A deep tech platform with an AI powered gamified user journey using the mechanics of ROSCAs

Users can borrow, save & invest with verified peers, providing on demand liquidity in times of contingencies

The platform enables its users to access **on-demand liquidity** for small amounts and short duration

Every **user's journey is gamified**, encouraging progress to larger money clubs.

As of September 2023

- We facilitated **3M+ transactions**
- Established **106K+ money clubs**
- Facilitated the rotation of about **$23M in savings** with an outstanding 90 day default rate of 1.3%
- Our **retention rate is 95%** MoM
